

ENTRY LIMITATIONS AND TEST INFORMATION

Events # 2010505102
2010505103

In accordance with AKC Obedience Regulations, entries in these tests will be accepted up to the official closing date and time, even though the advertised limits may have been reached. These tests are open to all registerable dogs at least six months of age.

Should the number of entries exceed the number of tracks available, a drawing to determine which entries will participate in the tests will be held **Thursday, April 15, 2010, at 8:00 pm, at the Secretary's home, 8610 Upshur Lane, Houston, TX 77064.** This drawing will be conducted by the Test Secretary and shall be completely random among all entries received, except that preference shall be given dogs that have not earned the title for the test in which they are entering.

When the advertised limit for each test has been drawn, all of the remaining entries shall be similarly drawn and assigned a position on the appropriate TD or TDX Alternates List, subject to the same preference set forth above. The Test Secretary shall then notify all entries of the results of the drawing.

If one portion of this test does not fill, and there are properly entered alternates for the other portion, track types may be exchanged in accordance with Chapter 1, Section 12 of the AKC rules.

Entry fees will not be refunded in the event a dog is absent (see below), disqualified, excused by a veterinarian or judge, or barred from participation by action of the Test Committee. **Bitches in season may participate per Chapter 2, Section 8, Tracking Regulations.**

Entry fee will be refunded for: (a) an alternate who does not participate, and (b) an entry who is absent by virtue of having earned, after the close of entries, the title for the test in which he is entered, **provided** a properly entered alternate is available **and** runs said dog's track. Refunds will be mailed within seven (7) days following the test.

In the event an accepted entry cancels following the closing of entries, the Test Secretary shall contact alternates according to their placement on the Alternates List. Upon such notification, alternates shall have the option of accepting or refusing the opportunity to participate in the test.

In the event an accepted entry is absent on the day of the test, it shall be the responsibility of the Test Secretary to determine if alternates are present and, by their position on the Alternates List, determine which of the alternates shall participate.

The assignment of dogs to the tracks, by the drawing of lots, is the responsibility of the judges.

There will be a meeting of the Southwest Tracking Club after the test is completed Sunday, April 25, 2010, at test Headquarters.

Entries close Thursday, April 15, 2010, at 7:00 p.m.
